12th Man Club

The Legacy Locker Project

Brentwood High School's football program is one of the top 5A programs in the state of Tennessee. It is time our football student/athletes have a facility that is a reflection of the quality of our program.

Our goal is to develop a professional environment with the installation of custom-made wood lockers, and we invite you, as part of the legacy of Brentwood High School's football program, to participate in this exciting renovation.

The Legacy Locker Project will provide all of our players, present and former, with a tangible means of connecting with our program and help fund an important facility upgrade. We ask that as a current football family or former player/family, you would consider donating \$500 toward the Legacy Locker Project. In return, we will provide a nameplate with your player's name, jersey number, and years played engraved and placed on the inside wall of "your" locker as a symbol of your commitment to our football program.

Please consider being part of the Legacy Locker Project and complete the attached information card. The details you include on the information card will allow us to keep you posted about the status of the Legacy Locker Project and invite you to attend special events. Your support of the Brentwood High School football program is appreciated. Help us celebrate the past while building for the future.

Mike Skiera
President
